Evidence:

A black Taurus Millenium G2 9mm handgun was located on Esteban's person which was concealed inside of his waistband.

Details of Case:

On June 17, 2023, at approximately 1652 hours, while operating an unmarked patrol vehicle and assigned to the Regional Gang Unit (RGU), RGU Officers and I were in the area of Gentry Wy. and Kietzke Ln. attempting to locate a wanted individual. The individual was identified as Esteban ADAME LOPEZ who had an active warrant for his arrest and was a suspect in a recent grand theft auto case out of the Reno Police Department. In the Reno PD grand theft auto case, RGU Officers and I were advised that he may be armed with a Taurus handgun.

Esteban is known to RGU for being a Norteno gang member and has been contacted by RGU numerous times. Esteban was arrested by the Regional Gang Unit in January of 2020 for battery with a deadly weapon after he and

other Norteno Gang members drove around a Sureno gang neighborhood, ultimately shooting two individuals. After Esteban was arrested, he ultimately plead guilty to attempted battery with a deadly weapon resulting in substantial bodily harm and was released from prison approximately one year prior to today's date.

Once RGU Deputy RANGLE and I were in the area, RGU Deputy RANGLE observed Esteban walking westbound on the north side walk at 777 Gentry Wy. RGU Deputy RANGLE positively identified Esteban due to numerous contacts with him while Esteban was incarcerated at the Washoe County Sheriff's Office prior to being incarcerated in prison. RGU Deputy RANGLE stopped his unmarked patrol vehicle, exited, and placed Esteban at gun point. At this time, I approached Esteban from behind and took control of both of his arms. Once I grabbed Esteban's arms, he began to tense up and attempted to straighten his arms. Due to the fact that Esteban might be armed with a firearm, I took Esteban to the ground where he was ultimately detained into handcuffs.

Once Esteban was detained in handcuffs, RGU Deputy RANGLE asked him if he had anything on him he should not have, to which Esteban replied, "Yes I do". RGU Deputy RANGLE asked what he had on him to which Esteban replied, "I have a gun on my waist". RGU Deputy RANGLE asked Esteban if the gun was loaded to which he replied, "Yes, there is one in the chamber". I then asked which side of his body the gun was on to which he stated, "My right side".

At this time, RGU Deputy RANGLE rolled Esteban onto his left side, and I lifted his shirt to expose his front waistband. Once Esteban's waistband was exposed, I observed a black firearm in a black holster secured inside of his waistband. It should be noted that for the entirety of the contact with Esteban, RGU Deputy RANGLE and I could not see the firearm concealed in his waistband. Esteban was concealed carrying the firearm in an "Appendix" fashion. Appendix carry is carrying a firearm in the front waistband, typically halfway between the front pants pocket and the waistband button.

I removed the firearm from Esteban's holster, which was described as a black Taurus Millennium G2 9mm handgun (SN- TKM41912) and unloaded it. The firearm was chambered with a bullet and had a total of 16 rounds of unfired ammunition in the chamber and the magazine.

Once Esteban was stood and RGU Officers were conducting a search incident to arrest, I began to smell a heavy odor of an alcohol-based beverage emanating from Esteban's person as he spoke. Due to the fact that Esteban was a possible flight risk, as well as being charged with obstructing, I did not release Esteban from handcuffs to conduct the Standardized Field Sobriety Tests. Esteban later consented to a Preliminary Breath Test which was administered by RGU Deputy RANGLE where Esteban provided a BrAC sample of 0.225% (PBT number ARFF-0163).

While at the Washoe County Sheriff's Office, RGU Deputy RANGLE allowed Esteban to call his mother prior to being booked in. During the conversation with Esteban's mother, Esteban explained to her that the gang unit caught him with his gun on him and stated to his mother that he was going back to prison.

Based on the facts and circumstances surrounding the investigation, and by Esteban being in possession of a firearm (Taurus Millennium G2 9mm (SN-TKM41912)), which was completely concealed inside of his front waistband, and not having a valid carry concealed weapon permit, as well as not having a lawful right to be in possession of a firearm due to him having plead guilty to attempted battery with a deadly weapon resulting in substantial bodily harm in 2020, as well as willfully delaying RGU Officers attempts to place him into handcuffs and causing RGU Officers to take him to the ground to detain him while he was in possession of a firearm, and being in possession of a firearm while having a BrAC of 0.225%, I determined probable cause exists to charge him with carrying a concealed weapon, possession of a firearm by a prohibited person, resisting with a firearm and possession of a firearm while intoxicated; violations of NRS 202.350, 202.360.1, 199.280.1, and 202.257.

A criminal history check of Esteban revealed the following:

Arrested on 1/9/2020 by the Reno Police Department for battery with a deadly weapon, criminal gang enhancement. Plead guilty to attempted battery with a deadly weapon resulting in substantial bodily harm on 7/1/2020 out of the Second Judicial District Court.

Arrested on 1/2/2020 by the Lyon County Sheriff's Officer for resisting a public officer. Plead guilty on 1/20/2022 out of the Fernley Municipal Court.
